the exterior of your car at the micron level, giving
it a deep mirror-like finish. cilajet[®] helps in reducing
surface imperfections such as webbing, fine scratches,
oxidation and fading.

WHY cilajet[®]

The cilajet[®] formula has been providing the
ultimate in surface protection and shine to the
aviation industry for over 10 years. As the
finishing product used by companies such as
Gulfstream, United Airlines, Qantas and Air New
Zealand, cilajet's exclusive formula was found to
protect "corrosion-prone surfaces in exceptionally
severe corrosion environments" (Sandia Labs, 5/99).
cilajet[®] meets & exceeds the requirements of the
world's leading aircraft manufacturers, conforms
to Boeing Specification D6-17487, and was the
product of choice used on the Presidential
Helicopter (Nixon Library, Yorba Linda, CA 2007)
